In 1931, early mountaineers set out to build the country's first commercial backcountry lodge.

With thousands of square kms to choose from, they deemed Skoki's idyllic location as the very best for hiking and skiing in the Canadian Rockies.

Skoki

Canadian Rockies' Premiere
Backcountry Lodge

An exquisite experience awaits...

Journey eleven satisfying kms along an established trail where photo opportunities abound. Cruise past one of the area's most pristine alpine lakes, up two picturesque passes and descend to your secluded hideaway in the woods.

IMMERSE YOURSELF in beauty, history & luxury

Wake up to grandeur at your doorstep. Enjoy the day exploring the seemingly endless wilderness, or relax in the beautifully-preserved, charming log lodge.

After dinner, grab a book from the library and curl up by the cozy fireplace with a cup of hot cocoa, or wind down on the front porch with a glass of wine.

By the time you're snuggling up in your flannel sheets and down comforter, chances are you'll be dreaming about how soon you can return.

Friendly, attentive on-site staff ensure you're well looked after and perfectly sated.

Stays include hearty breakfasts, healthful lunches, high-teas and sumptuous dinners.

The authentically rustic, yet surprisingly luxurious main building and three private cabins accommodate parties up to 22.

Excellent for corporate retreats, romantic weekends and families.
